

Edwin H. Adams
BIO

Dr. Edwin Adams is an unmistakable creative, change warrior, & founder of The Adams Leadership Institute. His mission is to support individuals and organizations in overcoming barriers to performance using industry-leading tools that result in an enhanced capacity for influence and freedom from mediocrity. As an independent executive director with The John Maxwell Team, Dr. Adams has established himself as a key opinion leader and development expert whose passion resides in helping people and organizations disrupt their comfort zone. He is a published author, having penned a personal development book entitled, *Misguided in the Magnolia, A Journey to Self-Awareness*.
